What is a Preacher?

The life-giving preacher is a man of God, whose heart is ever athirst for God, whose soul is following hard after God, whose eye is single to God, and in whom by the power of God's Spirit the flesh and the world have been crucified; his ministry is like the generous flood of a life-giving river. Life-giving preaching costs the preacher much—death to self, crucifixion to the world, the travail of his own soul. Only crucified preaching can give life. Crucified preaching can come only from a crucified man.
