## GIRLS/YOUNG LADIES/MOMS RETREAT

**JUNE 20-22, 2024**

**Camp Hebron, Halifax, PA**

Kristi Young will be hosting a great get away for girls and young ladies. You will be able to relax in this beautiful setting and be spiritually fed as Kristi leads insightful studies in God's Word. You can take advantage of trails to walk, mountains to climb, a pool to swim and evening fires with smores and conversation. This year we are offering moms/female drivers of young gals the opportunity to stay during this time. You can join in with the girls, take advantage of a time in God's Word planned just for our adults and enjoy time in retreat just like our girls and young ladies.

But the old cookie cutter ways of doing church won't cut it in today's world. If churches are going to stop the shocking rates of pastoral burnout and exodus from the pews, they must learn to be the church with new people, in new places, and in new ways.
