

“What does a Chaplain do at a Race Track?”

A Chaplain ministers, but in a closed setting. The setting is the difference. The ministry – sharing the good news of Jesus Christ in word and deed – is the same.

Each week the Chaplain conducts bi-lingual worship services. The biggest service of the week is on Wednesday Evening. It is called Chapel n’ Chow because we always share a meal as well as worship. In the closed setting of the track most of the workers do not have access to the church and community outside of the track so the Chaplain and the Chaplaincy are the one access to worship, discipleship, and fellowship.

The Chaplain facilitates a food pantry, health services, transportation, educational opportunities, counseling, Bible studies, daily devotions, devotional material, clothing, bedding, and much more. The Chaplaincy provides everything a vital Christian community provides with the help of dozens of volunteers.

*We are therefore Christ’s ambassadors as though God were making His appeal through us.”*

*We extended an invitation to have Rick and Mrs. Bunker join us this weekend, but they are visiting family. Rick sends greetings to all!*

Hello ABW Friends!

Thank you! I want you to know that I am truly grateful for your gifts of prayers, money, gift cards, and so many blessed items through the years. Your support has been a big help in reaching people with the saving message of Jesus’ love and life!

Please do not think that your gift is too small, or not needed. It is all of us coming together that makes the mission possible and successful. Please don’t stop! I couldn’t do this without YOU, each one of YOU!

Thank YOU!

Rick Bunker
