

MEET OUR THRIVE RETREAT 2024 SPEAKER

Reverend Kelly Legg

Rev. Kelly Legg's life-verse comes from Ephesians 3:20-21. In that breathtaking prayer the apostle Paul gives God a new name. He declares that our God is "He who is able to do immeasurably more than we can ask or imagine, according to His power that is at work within us." What a name! He is able to heal the broken, cleanse the messy, comfort the hurting, and provide for the lacking in ways greater than we can fathom, according to His power that is at work within *us*. That's why we can *rest* in Him.

Pastor Kelly is excited to unpack that promise as we get to join in this pursuit of thriving in Jesus together at Retreat this year. We get to marvel in the wonder of the God who is able to do immeasurably more than we can imagine through those who rest in Him. And to wrestle with our own tendency to think we can accomplish more if we "do for Him" rather than rest in Him.
