

**PARTNERS IN MINISTRY
SOLVING REAL LIFE CHALLENGES
WITH INNOVATIVE SOLUTIONS**

www.abcopad.org

“*In the beginning was the Word...*” [John 1:1] ABCOPAD understands the importance of a communicative strategy in its mission. As God was fully revealed to us through “the Living Word,” it is essential for us, as a regional family, to clearly and effectively share the message of the Gospel.

Our priority is a clear full-throated declaration of the Good News. And for that task, ABCOPAD seeks to support pastors and church leaders across Pennsylvania and Delaware through a variety of 21st century communication tools.

In 2019, a complete renovation of the ABCOPAD website took place. For sure, the old website had its *challenges*, and *solutions* were long overdue! The new design has: ① improved overall appearance, ② expanded the content area to the full screen, ③ allowed for compliance with the Americans with Disabilities Act (allowing access for visually impaired users), ④ improved and simplified site navigation, and ⑤ enabled “active response” (allowing the site to look good on both computers and mobile devices).

The website is loaded with valuable information. Go to the website and you’ll catch the latest happenings, discover scheduled mission trips, register for conferences, make a donation, find a local church, download a film clip, read *Notes & News*. There’s a ton of material at your fingertips!

All of this is to say – again – we’re in the business of communication! Announcing, Declaring, Professing, Proclaiming, Heraldng the Living Word. When you support **Partners in Ministry**, you make regional communications possible. And there’s nothing more important than getting the Word out!
