Covid 19 has created challenges for our churches, but particularly those who are experiencing the need to search for a new Pastor. As the Search Committee Regional Ministry Associate for the eastern sector of the state, I have been blessed to continue our work, in the midst of Covid, with several Search Committees as they successfully move through the search process. Using phone and email messaging has not curtailed our ability to help support these Committees.

In conjunction with the Ministrelife System, we have been able to develop our own database of Pastors who have responded to a survey indicating that, with the Lord's leading, they would consider being candidates for open Pastor positions within ABCOPAD. This has allowed us to be more efficient in identifying potential Pastoral candidates for our churches in the Region.

Yes, the challenges are there, but we continue to see the Lord at work in our churches and are blessed by His leading. We continue to pray for these churches who not only have the challenging task of finding a new Pastoral Leader but also being able to assimilate them into their congregations, many of which remain fully or partially virtual.

Search Committees have expressed their appreciation for the guidance and assistance that we are able to provide. Your prayers and support for this ministry certainly will be greatly appreciated.

When you support Partners in Ministry, you make it possible for our Region to support Search Committees as they seek new leadership as well as pastoral candidates as they strive to answer God's call.
