## Fulfilling Christ's Mission in the World

The creation of six Geographic Pastoral Servant (GPS) positions to assist ABCOPAD with regional staff work during 2022's interim year following Regional Executive Pastor, Rev. Frank Frischkorn's retirement is an opportunity to develop and strengthen the relationships between ABCOPAD and its member churches by connecting ABCOPAD's partnerships and resources to the life of the local church community. It will indeed be a challenge to do so, but one well worth the effort and passion required.

How can the GPS staff person responsible for your local church be of benefit to that church?

1. Through making connections as a fellow servant of the Gospel with each Church's leadership team, reminding them that many others are striving alongside them to bring in the same harvest.
2. By introducing the resources that ABCOPAD has available in a host of areas to the local church and helping them access them for Kingdom work.
3. And by acting as a liaison between the local church and the larger Church, seeking to increase the work and witness of both.
