

## Partners in Ministry Fulfilling Christ's Mission in the World

Don't you love that we give everything an acronym around here? ABCOPAD, ACTS, LLCs . . . now GPS (Geographic Pastoral Servants). I told my best friend, who *always* knows which way to turn to get to where she needs to go, that I am now a "GPS." She laughed for five solid minutes. Truth is, I get lost walking in my own tiny neighborhood!

Yet, isn't it a fitting abbreviation for 2022? We are in a season of seeking God's direction for His region. We desire to hear His heart for His churches, to know His vision for our next steps, and to rest in the absolute assurance that He already has every detail in place. As we follow the true "GPS," He will not lead us astray.

As we journey through this year of discernment together, it is our privilege as Geographical Pastoral Servants to partner by connecting and co-laboring with our clergy and congregations. Your partnership in giving to the ongoing work of ABCOPAD allows for ministry and mission to continue to flourish. So thank you for your generosity, as we seek the Father's heart together.
